ASSIGNMENT OF INSURANCE BENEFITS / PATIENT INFORMATION

Patient hereby assigns to **HEALTH ATLAST FOUNTAIN VALLEY** ("Provider") all rights to payment and benefits and all legal and other health plan, ERISA plan, or insurance contract rights that I (or my child, spouse or dependent) may have under my/our health plan(s) or health insurance policy(ies), and I hereby instruct and direct my health insurer or plan to pay by check made out and mailed to **HEALTH ATLAST FOUNTAIN VALLEY,** the medical expense or other professional healthcare provider benefits allowable under my current insurance policy for services rendered to me or my dependent(s). This assignment includes, but is not limited to, a designation that Provider can act on my/our behalf, as my/our representative or ERISA representative, as to any initial or subsequent claim determination or adverse notification/denial, to request any relevant claim or plan information from the applicable health plan or insurer, to file and pursue appeals to obtain benefits and/or payments that are due to Provider as a result of services rendered by Provider, and to pursue any and all remedies to which I/we may be entitled, including the use of legal action against the health plan or insurer to accomplish, inter alia, payment of Provider. This assignment and designation remains in effect unless revoked in writing, and is a direct assignment of my rights and benefits under this policy. A photocopy of this Agreement shall be considered as effective and valid as the original. I understand and agree that (regardless of my insurance status), I am ultimately responsible for the balance on my account for any professional services rendered. I have read all information of this sheet and have completed the above answers I certify this information is true and correct to the best of my knowledge. I will notify you of any changes in the above information.

HEALTH ATLAST FOUNTAIN VALLEY INFORMED CONSENT

PERSONAL

Patient's Name_____

INFORMED CONSENT

The determination of an appropriate plan of medical and/or chiropractic management for medical, orthopedic or chiropractic conditions may involve or include the utilization of physical examinations, muscle testing, physiotherapeutic exercise or rehabilitation procedures done in office or at home utilizing devices appropriate for same, spinal adjustments, diagnostic imaging including but not limited to x-rays, ultrasound or MRI, electrical stimulation or TENS unit application or ultrasound applied to muscles, nerve conductive velocity testing, acupuncture, venipuncture, injections into large or small joints or muscles, or prescriptions. Should these procedures be deemed appropriate in your case, you will be examined by a doctor or his or her mid-level provider ("Provider") to determine if you have any conditions that indicate you should not engage in any of the foregoing.

I the Patient ("Patient") acknowledge and understand that the above procedures carry with them a small inherent risk of injury, which include but are not limited to: minor strains of the specific muscles being used during testing or rehabilitation, muscle strains, dislocations, skin irritation, costovertebral sprains, fractures, disc trauma, minor burns, dizziness, bruising, local swelling, stroke or fatality, stomach upset, allergic reactions, electrical shock, injection site pain irritation or infection, bleeding or erythema, high levels of anesthetic in central nervous system in the event of inadvertent injections into blood vessels, temporary anesthesia or numbness or weakness in area injected, vasovagal reaction (fainting), soft tissue swelling, hematoma formation, nerve trauma or compartment syndrome requiring possible surgical decompression, joint stiffness, vessel nerve or joint injury, pneumothorax requiring possible intubation, gastrointestinal upset, nausea, headaches, hoarseness, difficulty swallowing or strange tastes, dimpling of skin, and rare side effects of medications utilized may include retention of salt and water, transient disturbances of blood sugar, blood, hemorrhage or pus in affected area, and allergic reactions which in rare cases can be severe, disability or fatality, seizure, arrhythmia, anaphylaxis, paralysis, or cardiac arrest. If you are receiving an injection involving Hyaluronate, you need to inform your provider if you have an allergy to chicken, eggs, feathers, or vaccine products derived therefrom. The Patient is at all times free to engage in alternatives to procedures which include not receiving or refusing the procedure, or other appropriate medical or surgical management. Patient always has the right to refuse any procedure at any time. It is Patient's responsibility to inform Provider if Patient does not want the procedure or wishes to stop the procedure after it has started. It is Patient's responsibility to inform Provider of any prior adverse outcome or reaction to a similar treatment previously, or if such a reaction occurs during or after a procedure in this office. Patient understands that the doctor may not be able to anticipate and explain all potential risks and complications, and wishes to rely on the doctor to exercise his or her clinical expertise and best judgment based on the facts then known to him or her to determine a reasonable course of action which the doctor feels at the time – based upon the facts then known to him or her – is in Patient's best interests. Patient has read, or has had read to him or her, this entire informed consent form, in a language that Patient understands. Patient has had an opportunity to ask questions about its content, and by signing below, Patient indicates Patient's understanding that results are not guaranteed and that Patient has had the opportunity to discuss the purposes, procedures, risks and other factors and ask all questions Patient has about his treatment in the office. Patient also agrees to hold this office and its staff harmless for injuries caused by the use of durable medical equipment due to improper use or manufacture defects. Patient intends this consent form to cover the entire course of treatment for Patient's present condition and for any future condition(s) for which Patient seeks treatment at this office. Patient has read and understands the preceding statements and hereby consents to voluntarily participate in one or more of the above-described treatments, and/or other medical management procedures as deemed appropriate by Provider. If at any time I decide that I am unwilling to engage in these procedures, I reserve the right to inform my doctor of such and not participate in these forms of evaluation or treatment.

Should I decide to receive treatment, I understand that I will be ultimately responsible for any and all charges incurred at this office. After a charge is 30 days past due a finance charge of 1.5% per month and penalty fee may be added. If any of my checks bounce, I will be billed a service fee. I hereby authorize this office to disclose medical information pertaining to my case to medical/technical consultants deemed appropriate by my doctor and submit claims to my insurance carrier on my behalf. However, I understand that verification of my eligibility and benefits is not a guarantee of payment.

The clinic is not liable for any lost or stolen property, or property damaged on the premise or in the parking lot. All supplements, supplies and durable medical equipment purchases are final. There are no exchanges or returns.

I HAVE READ AND UNDERSTAND THE ABOVE STATEMENTS.
